Session on 'Corporate Training'
09th April 2019

Objective: To make the students aware of the formal & informal clothing and the accessories. Grooming plays a very crucial role in today's corporate world and it is very imperative to recognize the importance of the first impression and how visual appearance and etiquette impact our professional effectiveness at the workplace. Moreover, corporate grooming is always referred as 'Sensible Styling' at workplace which is well accepted in the organization and also helps a person to make the First Impression in the first meeting.

Considering the importance of Grooming, a session was organized for the final year students of BCA and BSc(IT) at SadabaiRaisoni Women's College, to explain and exhibit how looks can enhance their confidence. Image Consultant Ms. Uzma Yusufwas was invited to groom students to demonstrate how a well-groomed person can not only look good but also feel good about them.

This was followed by a Corporate Grooming Presentation by the students to make them aware of the formal & informal clothing and the accessories. At the end of the day program concluded with feedback from students.
