**Guest Lecture on Carbon Footprinting**

**17 September 2018**

**Objective:** To increase awareness about the conservation and management of eco system .

September 16 was designated by the United Nations General Assembly as the International Day for the Preservation of the Ozone Layer on December 19, 2000, This was in commemoration of the date, in 1987, on which nations signed the Montreal Protocol on Substances that Deplete the Ozone Layer.

Sadabai Raisoni Women's College, in association with Rotary Club of Nagpur arranged a guest lecture on "**Carbon Footprinting**" to mark International ozone day and to create awareness to keep the Earth Green for the future generation. Ms. Anusya Chabrani, an environmentalist and social worker was the resource person for the session. The speaker emphasized on the practical measures that we need to adopt in our daily life to reduce carbon foot printing. The students were motivated to adopt eco friendly practices, as switching off electrical appliances when not in use, vehicle pooling and eco-friendly celebration of festivals.

Beneficiaries: 120 students

Teacher Incharge: Dr. Shakti Sharma

Student Incharge: 1. Anushka Tiwari (B.Sc IT 1<sup>st</sup> Year)

2. Kanak Ramteke (B.Sc IT 1<sup>st</sup> Year)

Learning Outcomes:

- Students were made aware as to how festivals could be celebrated in an eco-friendly way.
- They were encouraged to adopt vehicle pooling to reach college.
